

Curriculum Vitae

Stephanie Marie Grace (she/her)

DEMOGRAPHIC INFORMATION

Current Appointment:

Graduate Assistant: Department of Kinesiology
College of Education and Human Development
University of Minnesota
Minneapolis, MN 55104

Research Interests:

Physical activity promotion, emerging adults' physical activity behavior, fitness-based social media engagement, healthy behavior intervention, physical activity enjoyment

Skills:

Analytical software: SAS (v9.4), NVivo (v12)
Project management, presentation design (for instruction, outreach, or dissemination), collaboration

Education and Training:

Graduate

Ph.D./expected 2023	University of Minnesota Advisor: Daheia J. Barr-Anderson	Kinesiology
---------------------	---	-------------

M.S./2020	University of Minnesota Advisor: Daheia J. Barr-Anderson	Kinesiology
-----------	---	-------------

Undergraduate

B.S./2017	University of Arkansas	Kinesiology
-----------	------------------------	-------------

Professional Experience:

Graduate Research Assistant	University of Minnesota Behavioral Physical Activity Lab	2018-current
-----------------------------	---	--------------

Graduate Instructor	University of Minnesota KIN 4214: Health Promotion	2022-current
---------------------	---	--------------

Graduate Teaching Assistant	University of Minnesota KIN 4214: Health Promotion	Fall 2021
-----------------------------	---	-----------

Graduate Research Assistant	University of Minnesota NU-HOME	Summer 2021
Graduate Instructor	University of Minnesota KIN 3001: Lifetime Health and Wellness	2020-2021
Graduate Teaching Assistant	University of Minnesota KIN 3001: Lifetime Health and Wellness	2018-2020

RESEARCH ACTIVITIES:

Publications:

Accepted:

Grace SM, Barr-Anderson DJ, Fulkerson, JA. Exploring the relationship between home organization with child health-behaviors. *American Journal of Health Behavior* (IF=1.97).

In Preparation:

Grace SM, Hahn S, Folk AL, Sherwood N, Barr-Anderson DJ, Neumark-Sztainer D. Physical activity and social media use during emerging adulthood: Do exercise-related goals and desires to “stay fit and exercise” matter? Full manuscript. May 2022.

Folk AL, **Grace SM**, Urvig M, Wagner BE, Barr-Anderson, DJ. “Zooming in” to Virtual Focus Groups During COVID-19: Lessons Learned. Full manuscript. Aug 2022.

Barr-Anderson DJ, **Grace SM**, Wagner BE, Ma T, Bajracharya E, Chang K. Mini-ME: Developing a multimodal, culturally relevant, smart doll-based obesity intervention for Black and African American girls. Full manuscript. August 2022.

Kramer EN, Wagner BE, **Grace SM**, Friend S, Barr-Anderson DJ, Fulkerson JA. From free play to farm chores: An exploration of activity trends among rural children using the youth compendium of physical activities. Full manuscript. Summer 2022.

Martin C, Lindberg R, **Grace SM**, Flattum C, Friend S, Fulkerson JA. Family-centered health coaching: A thematic approach to understanding barriers to dietary- and physical activity-related behavioral goal attainment among parent-child dyads. Full manuscript. September 2022.

Under Review:

Peer-Reviewed Abstract Presentations:

Grace SM, Wagner BE, Bajracharya E, Chang K, Cotwright CJ, Ma T, Barr-Anderson DJ. Mini-ME: Developing a multimodal, culturally relevant, smart doll-based obesity intervention for Black

and African American girls. Accepted for oral presentation at International Society for Behavioral Nutrition and Physical Activity annual meeting; May 18-21, 2022; Phoenix, AZ.

Grace SM, Hahn SA, Folk AL, Sherwood N, Barr-Anderson DJ, Neumark Sztainer D. Physical activity and social media use during emerging adulthood: Do exercise-related goals and desires to “stay fit and exercise” matter? Accepted to be presented virtually at College of Education and Human Development Research Day. May 2022.

Kramer EN, Wagner BE, **Grace SM**, Friend S, Barr-Anderson DJ, Fulkerson JA. From free play to farm chores: An exploration of activity trends among rural children using the youth compendium of physical activities. Accepted to be presented at American College of Sports Medicine annual meeting. San Diego, CA. June 2022.

Grace SM, Hahn S, Folk AL, Barr-Anderson DJ, Sherwood N, Neumark-Sztainer D. Physical activity and social media use during emerging adulthood: Do exercise-related goals and desires to “stay fit and exercise” matter? Presented as virtual oral presentation at International Society for Behavioral Nutrition and Physical Activity annual meeting; June 8-10, 2021.

Grace SM, Barr-Anderson DJ, Fulkerson JA. Exploring associations between household chaos and child health behaviors. Presented as virtual poster at Kinesiology Research Day. May 2021.

Grace SM, Barr-Anderson DJ, Fulkerson, JA. Exploring associations between household chaos with sedentary behavior and screen time in rural children. Virtual poster presentation at 2020 American College of Sports Medicine annual meeting. San Francisco, CA. May 26-30, 2020.
